

The big black shadow.

I called David to ask him what he was going to we're. For Halloween, he told me that he was going to we're a zombie costume with blood all over it. cool I said.

The night of Halloween David and I Started to go were all the rock people live. they give us lots of candy. at around 8:30 pm we were in front of the old abandoned amusement park. we both looked at each other with worried faces, but we agreed it was time to go in. When we go in we saw a little sign saying to go to the roarer coaster of death. So we followed the sign And then all of a sudden David fell into a trap door. then all of a sudden all of the lights came on. then I saw David going up the Roler coaster of death. i looked at the top of it and saw David going up the Roler coaster. anc I also saw the big black shadow destroying the track.

HELP HELP HELP! David yelled. hold on tight I yelled. I climbed and climbed until a finally reached David's cart. I had to pull fav donut of the cart because he was stuck with the lock of the seat Y bealt. All of a suden the wheels unlocked and then we started to go up up up.

Go I yelled. Ok ok David said. We made it out of the cart just in time. we started to slide down the rusty old rotten tracks. when we got down the big black shadow walked right in front of us.

He said get out or you will pay.me and David started to run like chickens with our heads cut off.when we got out of the amusement park looked back and we heard the big shadow saying that he was going to get to get his revenge.Then the whole building fell on the big black shadow.david and I felt so relieved that everything was over.

But why were we chosen by the big black shadow.we asked ourselvesS.we had no Clue.
